## Trail Blazers - Desert Racing Supporters

Our individual race sponsors are the heart of the club's financial support to help pay the bills and be able offer the things that make great racing! These industry supporters dug deep for our sport and contributed over \$500 to one or more of the NMRC Races. Please use these sponsors whenever possible and tell them NMRC sent you!

Thank you for supporting NMRC and being part of keeping historical desert racing alive and thriving in New Mexico. NMRC is a collective formed from representatives from each of the participating clubs. NMRC does not solicit sponsors for the series, rather directs potential supporters to our individual clubs. The stronger our clubs are, the better the racing! It is SO important that our racers use our sponsors whenever possible and sincerely thank them for supporting NM desert racing. Do your part and encourage your favorite shop or retailer to sponsor one of the events on our schedule. Remember to always tell them NMRC sent you!

NEW MEXICO RACE COLLECTIVE

## NMRC Pit Row Supporters

We thank the many individuals and businesses that support our passion and take part in keeping desert racing thriving in New Mexico. These folks, many who are not in the off road industry, have joined our collective for the same reason you did, the LOVE of dirtbike racing! We encourage all our supporters to use them whenever possible. Lets Go Racing!
